## THE SOUL TRAIN

In the purest tradition of the famous American TV show, come and swing your best steps in front of the audience and the jury.

Style, response, humor and technique will be your strong points.

Skaters will perform to the DJ's improvised playlist, in several passes, moving towards the jury through a corridor formed by the other participants and the audience.

If the sound is not to the skater's liking, he or she may request a different one.

Backing up is FORBIDDEN, but it's advisable to take your time and squat in front of the jury to show off your best steps.

Two parallel categories: MASTER and DANCE SCHOOL

**Masters:** professional performers AND/OR recognized experts in the discipline

**Dance school:** recreational dancers from beginner to advanced level, who may or may not be members of a ROLLERDANCE school.

## ROUND 1: ELIMINATORIES

You can go through with more than one person if you wish, or directly alone and as many times as you like within the allotted time BUT you will be assessed individually.

At the end of the allotted time, the jury will decide who qualifies for the second round.

## ROUND 2: QUALIFICATIONS

Qualifiers pass alone as many times as they can within the allotted time.

At the end of this round, the jury designates three qualified skaters per category.

## ROUND 3: FINAL

The 3 qualified skaters in each category (starting with the ROOKIE category) skate alone as many times as they can within the 3-minute time limit.

At the end of this time, the winner, second and third place will be decided.

**Entry fee:** €10 per skater, one fee for the entire competition.
